

## Kimi

Designed by Carina Seth Andersson, Kimi is a mirror with minimalist styling, designed to be easy to mount and move around the home. With a wooden backplate, clean bevelled edges and tactile leather strap colour matched to the backplate, its design means that you don't have to worry about it being perfectly aligned with your wall—it'll settle itself. A quiet triumph of elegance and subtle detailing.

Glued glass on MDF plate, with leather.

Available in three diameters, 40, 50 and 80 cm respectively. Colourways: black, grey and sand/cognac.

Fogia is an award-winning Swedish design company and furniture producer, collaborating with some of the most progressive contemporary designers working today. With roots in the Scandinavian design aesthetic, its products are handmade to stringent standards of quality and construction, using high-end materials and craftsmanship. Graceful elegance and purposeful function are realised through a genuine knowledge of craft and construction.
